RAIN FOREST SERIES – VASE

The artist has captured the beautiful colours and patterning of New Zealand’s well-known rain forest in this glass range.

She produces intricate and beautiful glass pieces, drawing inspiration from cultures, nature and colours.

“When creating a new piece, I first draw rough sketches. I, then use coloured glass over molten clear glass to blow the piece. I keep blowing the glass and change details each time until I am satisfied”.

GLASS PAUA BOWLS

These artistically hand-crafted bowls capture the beauty of our internationally known beautiful Paua shells.

PAUA is a shellfish indigenous to the South Pacific waters surrounding New Zealand. As a unique type of abalone, paua has become a "taonga" (treasure) to the New Zealand people and the shells are often used for decorative effect. The shell has an iridescent blue-green interior and is widely used for jewelry and ornaments. It is found in rock crevices at extreme low tide.

The Māori people have had a long tradition of gathering paua for its nutritional and aesthetic qualities.

**NEW ZEALAND FLORA AND FAUNA GLASS SERIES
KIWI and PONGA**

GL0420 Rectangle Plate 30 x 20cm \$ 99.00
comes with a stand as shown

in Presentation Box

A unique piece of New Zealand's heritage, meticulously captured on a fused and slumped glass canvas. This design brings to the fore the iconic Kiwi bird, a symbol deeply interwoven into the fabric of Aotearoa. In the backdrop, the spiral shape of the Ponga Koru (Silver Fern Furl) is displayed gracefully, emblematic of new life, growth, strength and peace.

The Kiwi is not just a bird native to our shores but also the moniker by which New Zealanders proudly identify themselves worldwide. This flightless bird represents resilience, uniqueness, and a deep connection to the land.

To maintain its elegance, please hand wash only.

**NEW ZEALAND FLORA AND FAUNA GLASS SERIES
PIWAKAWAKA and POHUTUKAWA**

GL0421 Rectangle Plate 30 x 20cm \$ 99.00
comes with a stand as shown

in Presentation Box

A unique piece of New Zealand's heritage, meticulously captured on a fused and slumped glass canvas. This design is inspired by the playful Piwakawaka, or Fantail. Poised on a Pohutukawa branch, it's ready to flirt off in its ceaseless hunt for bugs. This small, energetic bird often accompanies walkers, delightfully darting about to catch insects disturbed by their movements.

The vibrant red glass, representing the bold hues of the Pohutukawa tree's flowers, often referred to as New Zealand's Christmas tree, adds depth and warmth to the piece. As you admire the design, it's like catching a fleeting moment of the Fantail's dynamic energy on a warm summer day.

To maintain its elegance, please hand wash only.

**NEW ZEALAND FLORA AND FAUNA GLASS SERIES
KEA and MT COOK/AORAKI**

GL0422 Rectangle Plate 30 x 20cm \$ 99.00
comes with a stand as shown

in Presentation Box

A unique piece of New Zealand's heritage, meticulously captured on a fused and slumped glass canvas. This design showcases the lively Kea amidst the tussock grass, set against the majestic backdrop of Aoraki/Mt Cook, New Zealand's tallest peak.

The Kea, with its vibrant green plumage, is the world's only alpine parrot. Its cheeky antics and exceptional intelligence, often said to rival some primates, make it a standout among birds. The Kea has been celebrated not only for its mountainous habitat but also for its spirited behaviors that both amuse and astonish.

The striking green glass is inspired by the Kea's vivid feathers and adds depth and contrast to the piece, reflecting the verdant alpine regions of New Zealand. To maintain its elegance, please hand wash only.
